Diocese of Norwich St Benet's Multi Academy Trust Policy

Statement on the Recruitment of Ex-offenders

The Diocese of Norwich St Benet's Multi Academy Trust is accountable for all policies across its Academies. All policies whether relating to an individual academy or the whole Trust will be written and implemented in line with our Christian ethos and values. We are committed to the provision of high quality education in the context of the Christian values of service, thankfulness and humility where individuals are valued, aspirations are high, hope is nurtured, and talents released.

The Code of Practice published under section 122 of the Police Act 1997 advises that it is a requirement that all registered bodies must treat DBS applicants who have a criminal record fairly and not discriminate because of a conviction or other information revealed.

In accordance with the Disclosure and Barring Service Code of Practice this policy is made available to all job applicants at the outset of the recruitment process. The DBS Code of Practice is available at <https://www.gov.uk/government/publications/dbs-code-of-practice>

Our organisation acknowledges the duty of care to safeguard, protect and promote the welfare of children and is committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance and complies with best practice.

- As an organisation which uses the Disclosure and Barring service, the Governing Body of the school complies fully with the DBS Code of Practice and undertakes not to discriminate unfairly against any subject of a Disclosure on the basis of conviction or other information revealed.
- We meet the requirements in respect of exempted questions under the Rehabilitation of Offenders Act 1974. A DBS check will therefore be carried out before appointment to any job at the school is confirmed. This will include details of convictions cautions and reprimands, as well as 'spent' and 'unspent' convictions. A criminal record will not necessarily be a bar to obtaining a position.
- We are committed to the fair treatment of applicants on all protected grounds and in relation to all history of offending.
- We promote equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates, including those with criminal records. We select all candidates for interview based on their competencies, qualifications and knowledge.
- Application forms and recruitment information will contain a statement that job applicants will be required to disclose their criminal record if they are invited to interview and a DBS check will be carried out if they are offered the job. The information will only be seen by those who need to see it as part of the recruitment process.
- At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the job sought could lead to withdrawal of an offer of employment.
- We undertake to discuss any matter revealed in a Disclosure with the person seeking the job before withdrawing a conditional offer of employment.
- We ensure that people at the school who are involved in the recruitment process have access to professional advice to identify and assess the relevance and circumstances of offences. We also ensure that they have received appropriate guidance in the relevant legislation relating to the employment of ex-offenders, e.g. the Rehabilitation of Offenders Act 1974.

Having a criminal record will not necessarily bar you from working at the school. This will depend on the nature of the position and the circumstances and background of your offences.
